Dear Ken:

Here are the three (3) completed copies of DD Form 48. As indicated in the form, I currently have a SECRET clearance through the Inspector of Naval Material and have had a variety of other clearances including a TS issued by the Air Force and an AEC "Q". A completed Form 1841 indicating the source of my current clearance was sent [Redacted] on STATINTL March 17, 1964.

Let me know if any more information is needed.

STATINTL
Very truly yours,

STATINTL
